The Amazing race (within the City)- great for new employees! Half Day

The amazing race is an active and enjoyable team activity which is designed to make fun tourism for sightseeing, exploring and walking around the city. A Land cruiser with driver, a city Map will be given for the team to navigate through the city. Challenges : Utilizing means necessary to travel around the city (Dubai metro, water taxi, Bus, walking and taxi) looking for the right location and the right clues that will lead to success. Acquiring items of mystery and value to only those that have the right information. Each team upon committing to the task will be given their sealed envelope with their sets of instructions. They must follow the instructions to their logical destination where they will have to acquire proof of their presence through various items collected.

The Amazing race (city& desert) Full Day

As above but with lunch + afternoon session will include a treasure hunt with GPS and Dune buggy to collect tools required for the final mission.

Teambuilding activities:

Mission Impossible - Full Day

This fantastic and thrilling day gives clients the opportunity to experience something spectacular in the Mangrove lagoon and desert. Participants will go through a variety of water and desert based activities, collecting materials for the final challenge. Water based activities like canoeing and kayaking take place in Khor Kalba, approximately 1,5 hrs from Dubai. Once the water based activities are concluded, we will head to the Fujairah Hilton for lunch and a short break.

In the afternoon we will drive to the desert for a treasure hunt with GPS, dune buggies and head to final challenge.

Activity focus & benefits

Planning and strategy, Time & crisis management, Problem solving, Understand synergy of team work, Coordination, combined effort towards achieving common goals, Communication, Cooperation

Water Explorer – Full Day

The activities will begin at the Khor Kalba lagoon which is located on the east coast of the UAE. The location is unique to the UAE as significant part of the lagoon is a mangrove forest in which you can observe an abundance of wild life. The team building challenges will include canoeing, kayaking and raft building. We can also offer an optional treasure hunt in and around Khor Kalba. After a morning full of thrilling activities on the water, lunch will be served at the Hilton Hotel in Fujairah. After lunch and the opportunity of having a splash at the hotel swimming pool, we drive back to Dubai.

Activity focus & benefits: Time & crisis management, Communication and coordination, Cooperation Leadership skill, Environmental & conservation awareness, Alignment of every individuals in the team towards common goal, Covers the entire life cycle from concept to delivery.

Duration: Pick up time: 8AM - 8.30AM Drop of time: 5PM – 5.30PM

Mountain Explorer – Full day

The morning begins with a drive through the rugged Hajar Mountains towards the secluded Hatta Pools region. Following a short safety briefing, you will hike towards the activity area that is adjacent to natural rock pools, where you will have the opportunity to rock climb and abseil under the close supervision and guidance of our experienced and qualified instructors. Our next stop will be the famous Hatta Pools where we will walk and swim through a mountain canyon. Afterwards, we will have lunch at the Hatta Fort Hotel.

Activity focus & benefits: Increasing self esteem, Confidence building, Trust and communication skills with the group, Leadership skill, Identify hidden potential and advantages of risk taking Environmental & conservation awareness and responsibility.

Duration: Pick up time: Between 8AM to 8:30AM Drop of time: Between 4.30PM to 5PM

Teambuilding activities:

Coastering Adventure- Full day

Coastering is the ultimate ocean wilderness adventure offering high excitement. Coastering is a combination of swimming along the base of cliffs and rocky outcrops, exploring gullies, caves, cracks and different rock formations created by the sea. Traversing and scrambling the lower level of sea cliffs above deep water and climbing the cliffs to spectacular jumping locations. You will investigate whirling in whirlpools, spinning in stoppers and of course swimming with the local marine life, also stopping on route to experience the lift and fall of the sea.

Coastering is an excellent way of introducing people to the oceans, in a unique, thrilling and above all safe way. It is an excellent way of exploring the vast variety of ocean and marine life, encourage physical fitness and improve swimming ability and water confidence.

Activity focus & benefits: Planning and strategy, Group bonding, Communication and Cooperation
Creative thinking, Problem solving, Refreshing and energising, Alignment of every individuals in the team towards common goal

Duration: Pick up time: Between 9AM to 9:30AM, Drop of time: Between 5PM to 5:30PM

Liwa Desert Safari- overnight

The Liwa area is on the outskirts of the Rub al-Khali (Empty Quarter), the biggest sand desert in the world. It boasts some of the most challenging sand dunes in the Middle East.

This expedition is truly unique, because in Liwa you can drive for as long as a week without seeing any manmade objects or inhabited areas apart from some camel farms and its camels wandering around. It is an experience that will never be forgotten!

Activities: Dune drive, Building shelter (camp setup), Collecting wood for campfire, Cooking challenge
Shisha smoking, Night trekking (optional). Includes Safety briefing, Lunch boxes on the dunes (day 1),
Camp fire, Shisha, BBQ dinner, Breakfast, Lunch at the hotel (day 2)

Activity focus & benefits: Adaptability, Crisis management, Group bonding, Self confidence and mutual trust, Environmental & conservation awareness.

Duration: Pick up time: 8:00 AM on Day 1, Drop off time: 7:00 PM on Day 2

Teambuilding activities:

Dubai Autodrome motorsport packages

This venue offers incomparable adrenaline satisfaction with their different motorsports & kartdrome packages. They have different combinations of motor related activities which can also be combined with catering options at the Kartdrome if needed. The packages are very popular so make sure you book well in advance for these activities.

The team builder Team Size: up to 12 persons, Number of Teams: up to 3

Team Builder is specifically designed for companies looking to motivate and team build using the focal point of the dynamic world of motorsport. This half day event is ideal to compliment your meeting, conference or simply bringing the team together. Events can be either shared or exclusive depending on numbers and requirements.

Activities included:

AUTOTEST - Who is the best driver? Autotest will settle the matter.

Using their Audi TTS Turbos you'll have to navigate through a testing course...against the clock!

WATER PRESSURE

The object is simple, transport water from one drum to another. The team that moves the most water in the time allowed is the winner. Add the fact that the water has to be placed in a bucket on the roof of a car and then driven through an obstacle course and the task becomes a real challenge!

PITSTOP CHALLENGE

Many races have been won or lost in the pit lane. The ability of a team to work together efficiently under pressure has always been a key success component in motorsport and business. Challenge your team to replicate the performance of professional pit crews by changing the wheels of a formula racecar...against the clock!

The powertrack formula – Team Size: up to 12 persons, Number of Teams: up to 3 (AM)

Powertrack Formula features the F1 style single seater with wings and slicks plus 180 bhp gives the ultimate motorsport experience. With a 5 speed sequential gearbox, participants must be able to drive a manual car. This half day event is ideal motorsport motivation to compliment your meeting or conference. Activities included:

F1 STYLE MOTORSPORT EXPERIENCE

The ultimate drive: wings, slicks, and the roar of a 180 BHP engine sitting right behind you! Driving one of their purpose-built formula racecars is a life defining moment that will never be forgotten. Participants will leave the event fully energized, having experienced the closest thing to a Formula One racing car.

AUTOTEST

HOTLAPS

An absolute adrenaline rush! Participants are strapped into the pedals and driven by our professional instructors at race velocity around the track in one of our cars (to availability: Audi S5, Subaru Impreza, or GTS). This high impact activity will have your guests thrilled and invigorated for more!

PITSTOP CHALLENGE

Teambuilding activities:

Dubai Autodrome motorsport packages

POWERTRACK SALOON – (PM) Team Size: up to 12 persons, Number of Teams: up to 3

Power Track Saloons features the Audi TTS Turbo with 270 bhp and a DSG automatic gearbox lets the driver focus on braking, accelerating and steering to make the most out of this high performance sports car. Activities included:

AUDI TTS TRACK DRIVE

Designed to get larger groups on the track quickly. An Autodrome instructor leads a group of 3 cars around one of their circuits, showing them the proper racing lines. As confidence builds, so does the need for speed and adrenaline. Driving a 270 BHP TTS Turbo with DSG automatic gearbox, this happens sooner than later!

WATER PRESSURE

SKID CAR CHALLENGE

Using state of the art technology, their skid cradles can create any kind of slippery surface condition and vehicle handling. For this challenge your objective is to record the fastest time through our staggered slalom course, with an 'Ice' surface and 'rear wheel drive' car with bald tyres. Here you will learn the true definition of car control.

POWERTRACK NIGHTS- evenings Team Size: up to 12 persons, Number of Teams: up to 3

Power Track Nights are specially designed for those who want to enjoy motorsport after normal working hours, especially during the warmer summer months.

Activities included: Autotest, Pitstop challenge, Audi TTS track drive

ULTIMATE - FULL DAY Team Size: up to 12 persons, Number of Teams: up to 6

Activities included:

F1 STYLE MOTORSPORT
AUTOTEST
PIT STOP CHALLENGE
HOT LAPS

Bookings/Payments

- Contact Linda Jacobsson Asting, Director of CTC for all enquiries & questions reg teambuilding possibilities. Rate for packages are given on request and depends on number of people, included activities/catering services etc.

Email: linda@clevertravelconsult.com Phone: +971 50 3400713

- All the teambuilding packages in this file can be booked via CTC, but are organized and produced by local partners/organizers. CTC does not take responsibility for changes to the programs or packages that are carried out by the organizers.

- All bookings are invoiced via the local organizers directly to the customers. Payments are also made directly to the organizer as per their terms & conditions, with copy of receipt sent to CTC.

- Some of the partners will charge a deposit at the time of booking to give confirmation. This deposit is also paid directly to the organizer. Final payment is due in advance, before the booking date in question.

- Kindly make bookings min 2 weeks in advance in order to secure availability. For high season during winter, book as early as possible in order to confirm your requested dates (for Dubai Autodrome try to book min 1 month in advance). Please note that some organizers (for example Jebel Ali Football packages) are not able to accommodate corporate packages during Fridays unless booked very long time in advance.

- Contact us for additional information.
