# Success Stories

A Seawings experience adds an extraordinary touch to any occasion. We share with you stories of a few of our exhilarated clients who took to the skies with Seawings, to give you an idea of how you too can make occasions memorable.

## Amway's Intriguing Incentive

*Client Requirement:* Amway wanted to reward 126 of their top performers in India with the trip of a lifetime. They flew the star performers in to Dubai and Seawings ensured it was a rewarding experience.

*Seawings Solution:* Seawings divided the group into two. In the morning, one half of the group enjoyed a scintillating half hour aerial tour of Dubai, while the other half were taken on a city tour. The groups then switched places in the afternoon, so that everyone got a chance to experience both the aerial and the city tour.

## Bouygues' Memorable Brunch

*Client Requirement:* The Bouygues Group from Germany wanted to treat their Board of Directors to a momentous experience. They flew them in to Dubai and commissioned Seawings to give them an indulgent experience.

*Seawings Solution:* Seawings took them out on an excursion that covered all the awe-inspiring landmarks in Dubai. They were then flown to the opulent Emirates Palace for lunch, before they were dropped off in Dubai.

## Skyhigh Silver Anniversary Celebrations

For an eminent Indian industrialist, the sky seemed like the perfect venue to host his silver anniversary celebrations. The couple along with 32 of their guests flew in from Hyderabad and Seawings kicked off the celebrations.

Seawings flew the gracious couple and their guests over the stunning Dubai skyline. The celebrations didn't stop there. Seawings dropped them off at an exciting beach party at the Jebel Ali Golf Resort & Spa to continue the revelry.

## Pro Golfers' New Playground

Some of the biggest names in the international Golf circuit were in Dubai to participate in the 2010 Dubai Desert Classic Golf Tournament. Seawings was contracted to show them Dubai in a new light.

*Seawings Solution:* Seawings flew the 13 golfers and their partners in the luxurious Cessna seaplanes, treating them to a dramatic view of Dubai. The experience was topped off with a laidback time at the Sports Café in Jebel Ali Golf Resort & Spa.

## Davidoff's High-Profile Launch

Davidoff was launching their stunning new range of accessories. They wanted to make sure the members of the press sat up and took notice.

18 members of the press were invited to a press conference at the Aquarium in Dubai Creek Golf & Spa. They were then treated to a thrilling 40-minute aerial tour of Dubai. The press conference was also attended by the CEO of Davidoff. Seawings also commissioned a limousine pick-up for him to and from the press conference.

## HP's Global Escapade

HP was organizing a worldwide rally, as part of a large-scale team building effort. They had flown in 22 employees to Dubai for a memorable experience.

Seawings organized for the HP teams to be flown into the thick of horse racing action at the Dubai World Cup. They were then flown to the Bateen Airport in Abu Dhabi, for the next leg of their adventure.

# About Us

Delivering unforgettable experiences. From ever-changing coastlines to towering superstructures and from pristine landscapes to luxurious developments – witness it all first hand with Seawings.

Established in 2007 with a view to create new and unique aerial sightseeing experience, Seawings is today a coveted inclusion to any group or MICE itinerary.

Based in Dubai, Seawings LLC began with one aircraft and a handful of staff. Today the company has grown to include three Cessna 208 Caravan amphibious aircrafts and over 70 employees. The Seawings experience leaves its guests in awe as they are whisked to 1500 feet above ground level for stunning views of UAE's most iconic landmarks and exquisite landscape, for memories that last a lifetime.

Our luxurious Cessna Caravan 208 seaplanes are designed to ensure an indulgent flying experience. Our fleet is maintained by highly qualified engineering professionals with the highest possible qualifications issued by GCCA, the UAE

aviation governing body. Seawings pilots are amongst the world's most skilled at flying seaplanes, having accrued thousands of hours of flying time on seaplanes.

*Seawings provides you with one of the most efficient ways to travel throughout the UAE.*

- Comfortable Leather Seats
- Air – Conditioned Cabins
- Experienced and professional staff
- Large windows for each passenger

A single engine turboprop with the reputation of being a real workhorse of the skies, the Cessna 208 is extremely reliable and flexible to perform flights anywhere around the globe.
